As a resident of (b) I am outraged by the audacity of Title IX. Spare the tax payers funding lawsuits and get rid of title IX. Not only is it not constitutional but it lacks common sense.

- The First Amendment is still the First Amendment and religious schools which adhere to Biblical teaching on sexuality are protected by it.
- The majority of Americans do not want their taxpayer dollars used to force religious schools to abandon Biblical teaching.

It is time to bring back common sense and stop things that are not constitutional. Law suits will continue until you stop violating the rights of the people.
