I am an attorney in practice for 20 years. The Devos rules were a necessary correction to the Obama rules, which were made up out of whole cloth to eviscerate due process for the accused, and made a mockery of fundamental rights and freedoms for campus students. Due process is what should be being *taught* on our campuses, not destroyed. The Obama rules were part of a dangerous illiberal trend in our country that panders to childish, ignorant notions of liberty. The Devos rules were a partial return to the minimum standards afforded to every American. Please do not change the Devos rules.
