Dear US Dept of Education OCR,

Here are my comments regarding Title IX of the Education Amendments of 1972:

- Transgender girls are biological males and, as Olympian Caitlyn (Bruce) Jenner notes, "That's why I oppose biological boys who are trans competing in girls' sports in schools. It just isn't fair. And we have to protect girls' sports in our schools."
- The First Amendment is still the First Amendment and religious schools which adhere to Biblical teaching on sexuality are protected by it.
- The majority of Americans do not want their taxpayer dollars used to force religious schools to abandon Biblical teaching.

Thank you
B.Eric Culbertson
