The First Amendment is still the First Amendment and religious schools that adhere to Biblical teaching on sexuality are protected by it.

The majority of Americans do not want their taxpayer dollars used to force religious schools to abandon Biblical teaching.

Transgender girls are biological males and, as Olympian Caitlyn (Bruce) Jenner notes, "That's why I oppose biological boys who are trans competing in girls' sports in schools. It just isn't fair. And we have to protect girls' sports in our schools."

Please respect our First Amendment by not forcing religious schools to go against their personal beliefs to males and females share personal facilities. And protect girls who want to have opportunities to compete in sports and perhaps earn scholarships or awards for their efforts.
