To whom it may concern.

Regardless of what someone says, how they were identified at birth is what they are.

If they had a penis, they were a male.

If they had a vagina, a female.

If someone chooses to go against that, that is their business, but it becomes other people's business when that person tries to ram those thoughts onto others.

As amazing as this is, we should not have to be having this discussion, but since we are, here are a few bullet points for the record.

- Transgender girls are biological males and, as Olympian Caitlyn (Bruce) Jenner notes, "That's why I oppose biological boys who are trans competing in girls' sports in schools. It just isn't fair. And we have to protect girls' sports in our schools."
- The First Amendment is still the First Amendment and religious schools which adhere to Biblical teaching on sexuality are protected by it.
- The majority of Americans do not want their taxpayer dollars used to force religious schools to abandon Biblical teaching.

Sincerely,
Carl Stacey
