Subject: Title IX extension support

I staunchly support extending Title IX to include sexual orientation and gender identity. As a lesbian with many transgender friends, I know that it is much more than a minor inconvenience to not “fit” into the assumed norms and roles. LGBTQ+ youth attempt suicide almost 5 times more often than heterosexual youth. It is imperative to support ALL students. *All students should be guaranteed an educational environment free from discrimination on the basis of sex, including discrimination in the form of sexual harassment, which encompasses sexual violence, and including discrimination on the basis of sexual orientation or gender identity.*
