Subject: Title IX Public Hearing on Sexual Orientation and Gender Identity

I am writing to you concerning the Department's "Title IX Virtual Public Hearing to gather information for the purpose of improving enforcement of Title IX of the Education Amendments of 1972 (Title IX)."

The Title IX Amendments were clearly crafted to give educational opportunities to women and girls. The Biden Regime and the Department have clearly ignored the definitions, purpose, and scope of this law. The Department's actions, thus far, have shown their rush to redefine law and, worse- harm privacy and steal opportunities for women and girls.

I remember when the Obama Administration threatened Title IX funding if schools didn't force girls to share showers, locker rooms, and hotels with boys. Thankfully, a nationwide injunction stopped it. This Department must not violate the privacy of girls.

Today, girls are being forced to give up their places on podiums at sports events because biological boys are allowed to compete with them. And when they speak up, they are censored. This Department must not force girls to forfeit their opportunities to boys.

Finally parental rights- including rights of parents to teach their children about sex- must be respected. Implementing radical gender ideologies in schools nationwide is NOT the role of the federal government. The Department must reject implementing radical gender ideologies nationwide.

Sincerely,
Faye Johnson
