I am AGAINST President Biden's bill to include males who identify as female to be included in women's sports, locker rooms, etc. I am FOR women's rights to compete against other true females in sporting events and to a woman's right to protect her body against assaults by men in locker rooms. Biological men belong with men and biological women belong with women. DNA doesn't lie. Male is male. Female is female, no matter how the individual "feels".

Thank you.
