Written Comment: Title IX Public Hearing:maintain Title IX on the basis of sex, not gender

Please maintain Title IX on the basis of sex. Do not include males who identify as females in women's athletics, scholarships, and single-sex spaces like changing rooms, locker rooms, bathrooms, shelters, prisons, and other single-sex accommodations.

Protect women's and girls' sports, and keep sports for girls, not boys who claim to be girls. These boys are completely free to play with the boys. No boys are prevented from participation in sports. That is a lie. Sports participation needs to be based on sex, and sex is based in biology, not a feeling in one's mind.

Girls and women need single sex spaces, sports teams, etc. Please preserve the fairness of sports!
