Hello, and thank you for taking public comments on Title IX as you consider the implementation of President Biden's executive order.

I ask that you provide guidance allowing for sex-based provisions and protections separate from gender identity. Many Americans - religious and secular, Democrat and Republican alike - feel that physical sex is more important to their own intimacy rules and sexual orientation than self-identified sex (aka gender identity). Please maintain sex-based sports, locker rooms, shelters, prisons, hostels, dormitories to allow those Americans access to public life in our shared secular spaces.

Thank you,

Jen Aldrich, (b)(6)
