Hello,

I am a female citizen of the United States of America, the intended beneficiary of Title **9**. **As the U.S. Department of Education's Office for Civil Rights (OCR) considers its responsibility to implement President Biden's "Executive Order on Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation" (E.O. 13988) and "Guaranteeing an Educational Environment Free From Discrimination on the Basis of Sex, Including Sexual Orientation or Gender Identity" (E.O. 14021), I urge you to provide guidance affirming the permissibility of sex-based classification in certain narrowly drawn circumstances described in Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681) and its implementing regulations.**

Gender identity does not = sex. Don't further erase women by saying that it does! Advocate for our rights, my rights, the rights of your mother, your female friends and family members and every women in the US.

Urgently,

A concerned citizen
