To Whom it May Concern at the Department of Education:

If you care about females, you will not let transgender girls participate in sports. It isn't fair. Biological girls would not get playing time, nor the opportunities that are supposed to go to them they have to compete against biological males. We need to protect girls' sports! Even Olympian Caitlyn Jenner has said that since transgender girls are biological males, "That's why I oppose biological boys who are trans competing in girls' sports in schools. It just isn't fair. And we have to protect girls' sports in our schools."

In addition, The First Amendment is still the First Amendment and religious schools which adhere to Biblical teaching on sexuality are protected by it and the majority of Americans do not want their taxpayer dollars used to force religious schools to abandon Biblical teaching.

I am a mother of 4 daughters and I care about their futures and their opportunities. Do you?
