Subject: Written Comment: Title IX Public Hearing

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I am writing to express my opposition to expanding the definition of “sex” in the Title IX Amendment to include “sexual orientation” and “gender identity”. By expanding the definition, it will open the door to attacks on First Amendment rights. “SEX” is sufficient, as it encompasses reality: there are males and females. Period.

Thank you.
