**Subject:** Transgender girls are biological boys!!

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

We have to protect girls sports. It is simply not fair to have biological boys compete against girls!! We also have first amendment rights and it is against the amendment protections afforded to religious schools to be forced to go against their biblical teaching of sexuality! In addition, taxpayers do not want their taxes to be used to force religious schools to go against their teaching!!! Joann Stump
