Hello,

My name is Katie Bentley Cockrell and I'm from (b)(6). I'm writing in regard to the Department of Education's comprehensive review of Title IX protections and notice of proposed rulemaking.

Why I'm Big supporter of The LGBTQ+ is because I'm Transgender and Bisexual and love is Love so it won't be judge for who you love and who you a dentify as.

Number one problem I see for the young LGBTQ+ community is that we deal with rejection on public school and public accessories and benefits. Because of are sexuality or gender identity and Orientation. But most of all I'm (b)(6) still in school and trying to find a first time job and sure to my gender identity and Orientation I been rejected for jobs. Even jobs I am qualified for so this needs to be looked on and make better for all of us as a nation. As well for the human race.

Sincerely,  
Katie cockrell
