Subject: Title IX-Uphold sex based rights

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hello:

Sex and gender are not the same. Title IX needs to remain in protection of FEMALE'S SEX BASED SPORTS.

Males who identify as non males are still biologically male and should to be competing against females in sex segregated sports.

Thank you for protecting what females fought centuries for!

-Kelly
