Hello, my name is Kimberly Wilcox and I reside in (b)(6). When (b)(6) was in (b)(6) school she (b)(6) and I found her in the backyard at 6:30 am...I thought she was dead. Once she got out of ICU I had her sent to an adolescent psychiatric unit. While she was there, we found out that the (b)(6) was having a sexual relationship with her. He was married..with 3 children. His daughter was one of (b)(6) friends. The DA was friends with (b)(6). Needless to say, no investigation was done...no one has been arrested... (b)(6) even admitted to the police that he knew about the relationship but didn't report it. We found out later that HE was trying to get sexual favors from (b)(6) (b)(6) The past 3 1/2 years has been hell! (b)(6) I have sent her to (b)(6) times and nothing is working. She was a straight A student her entire school life...getting awards for behavior, (b)(6) She was wanting to be an attorney since she was in 4th grade! These people have destroyed her life and NO ONE has been arrested! We do have a title IX federal lawsuit filed against the district...I feel led to help anyway I can to make sure this doesn't happen again. Our story is so detailed and takes hours to tell everything, it's really all disgusting. (b)(6) (b)(6) was interviewed 3 times...the last time was 5 hours of graphic details. Please...let me help y'all so I can help her.

Thank you,

Kimberly Wilcox
