- Transgender girls are biological males and, as Olympian Caitlyn (Bruce) Jenner notes, "That's why I oppose biological boys who are trans competing in girls' sports in schools. It just isn't fair. And we have to protect girls' sports in our schools."
- The First Amendment is still the First Amendment and religious schools which adhere to Biblical teaching on sexuality are protected by it.
- The majority of Americans do not want their taxpayer dollars used to force religious schools to abandon Biblical teaching.

The facts are the facts and the science proves it every time. Our Constitution and Amendments provide protection for schools, religion, and for females. You need to do the same and protect the freedoms and the futures of our girls and women!

Sincerely,
Lori Christy
