Subject: Written comment about Title IX

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I urge you not to conflate sex and gender.

There are times when biological women need protections that have so far been granted by Title IX, but that we are in danger of losing.

We need protections on the basis of sex.

I am a United States citizen, and I vote.
