Dear Dept. of Education,

I am writing concerning EO 13988.

I strongly support sex-based rights for girls and women.

I do not support losing sex-based rights for girls and women.  
I do not support girls losing to biological boys that have  
"identified" onto the female team.

All students have a right to privacy in the locker room and bathroom.

Students identifying outside of their biological sex deserve  
compassion.  
Identities do not trump sex-based rights.

Students deserve privacy.  
Girls deserve single sex private spaces in bathrooms and locker rooms, on field trips.

A school should simply have private bathrooms and changing rooms for students who  
declare a gender identity.

I am a mother and former Democrat—now politically homeless due to gender identity.

Sincerely,

Lorraine G.
