To Whom It May Concern,

As a women I find it unacceptable to be forced to share single sex facilities with biological males. I had my first period in a public restroom as a young girl and was helped by an older woman when she saw my distress. I would have been traumatized if that restroom would have been filled with men. Please keep single sex restroom and locker rooms for women and girls in schools and other public places.

Thank you for reading.

Best wishes.

Sincerely,

Leah Mondino
