I am **strongly against the Dept. of Education's proposal to eliminate "discrimination" based on gender identity** and sexual orientation as applied to Christian schools and colleges. I believe this proposal violates the constitutional rights and freedoms of Americans to worship as we please. This proposal would cause these ministries to either violate their religious beliefs or shut the doors of the institution. This proposal will have devastating affect upon America. As a Christian, I am bound to the Word of God and it teaches that there is only 2 genders...male and female. Our schools have never taught hatred but rather love for others.

Sincerely,
Pastor Lee Patrick
