These are views based on facts even if you do not believe in The Bible.  
This was told to us by an old Plumber, to connect a pipe you have a female adapter and a male adapter, the screw together by design. If either threads are damaged they do not work.  
We are tired of this woke movement to destroy fundamental truths. It is doubly disconcerting that the government that is supposed to represent the people is forcing this on educational institutions.  
They are supposed to enlighten students not indoctrinate them.  
A retired educator and coach,  
Robert B. May
