Opposition to any changes in the Title IX “DeVos Rule” advocated by the Biden Administration.

Please keep the due process protections of the current Title IX Rule, especially its provisions on live hearings and cross-examination.

Previous rules allowed a small group to act as judge, jury, and police for allegations of actual crimes on campus, such as sexual assault and rape. Such proceedings ignored basic due process for those accused, *i.e.* the rights to see evidence, to confront accusers, and to cross-examine witnesses.
