Hello,

I am writing to encourage you to protect the rights of women and girls as provided by Title IX. I am a lifelong Democrat voter.

"Gender Identity" is not an equivalent nor substitute for Sex in law or anything else. In fact, there is no scientific basis for the concept of "Gender Identity" at all. It is merely a term used to describe some people's discomfort with their Sex.

"Transition" is merely cosmetic medicine that enables some individuals to mimic the opposite sex. "Transgender" is not a different type of human and requires no privileged standing in law or society.

Protect women's rights.
