Hello,

I've worked in higher education for 10 years. I agree with this statement:

Single sex classification is sometimes reasonably necessary to ensure fairness, privacy, equality, safety, and/or dignity. **Girls and women have valid legal interests in the continued legal permissibility of Title IX's sex-based classifications in educational settings including sports teams,^[i] locker rooms, bathrooms, and student housing.**

Thank you,
Shana Naugle, M.A.
