Dear Secretary Cardona and Ms. Goldberg:

As the Principal of EUCON International Christian School in Saipan, Commonwealth of the Northern Mariana Islands, I hereby voice my support for retaining the traditional definitions of *sex* and *gender*. I am opposed to the redefining of these terms for legal or any other purposes.

Thank you for your representation of Christian School students, teachers, and leaders. Thank you as well for your support of all others who wish to protect the traditional family as the critical unit of social stability and national well-being.

God Bless,
Wade Bacon
