I am a educated American, voter, taxpayer, and citizen of United States.
Our 1st amendments rights do not flip flop based on a current political agenda.

- Transgender girls are biological males and, as Olympian Caitlyn (Bruce) Jenner notes, "That's why I oppose biological boys who are trans competing in girls' sports in schools. It just isn't fair. And we have to protect girls' sports in our schools."
- The First Amendment is still the First Amendment and religious schools which adhere to Biblical teaching on sexuality are protected by it.
- The majority of Americans do not want their taxpayer dollars used to force religious schools to abandon Biblical teaching.

Be men and women and stand up for moral and principled values for all taxpayers in our nation..
Someone else's blood has paid for our freedoms do not muddy it with politics and using the children political aspirations.
